

## Educational Visit at Jadavpur University

### Department of Chemistry

Undergraduate students (Honours and General) from the Department of Chemistry visited the Physical, Organic and Inorganic laboratories in the Department of Chemistry at Jadavpur University on 21.11.2017, under the guidance of the faculties (Dr. Amrita Banerjee, Dr. Sumana Ghosh and Shri Gopal Kanrar). The group of 30 students visited the research laboratories of Prof. Nitin Kumar Chattopadhyay, Prof. Rina Ghosh, Prof. Subhash Chandra Bhattacharyya and Prof. Saurabh Das where the Scientists arranged academic discussion sessions on their research projects and Research Scholars presented live demonstrations of the laboratory instruments.
