NOTICE

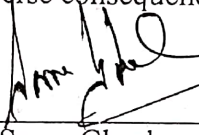

Subject: Urgent Notice: Mandatory Attendance for Self-Defense Classes

It has been observed that a number of students have been consistently missing self-defense classes. As we prioritize the safety and well-being of our students, it is essential that everyone actively participates in these classes.

Self-defense classes are designed not only to impart crucial life skills but also to empower you with the knowledge and confidence to protect yourself. In light of recent absenteeism, we would like to emphasize the importance of attending these classes regularly.

To ensure the safety and preparedness of every student, we kindly request all of you to attend the self-defense classes without any further absences. Your active participation is not just about fulfilling a requirement but about equipping yourselves with valuable skills that can be applied in various life situations.

All Concerned are requested to note and act accordingly, failing which you may have to face adverse consequences.
